Nez's Features and Innovations

A Headrest
A step-less 75mm height adjustable sleek neckrest to give optimal support to the user.

B Polyester Mesh
Provides elastic support, yet allowing ventilation for airy comfort.

C Lumbar support
Fits comfortably to the curve of your back to provide additional support for your lower back.

D Armrest
Come with 4-way armrest adjustable for height, width, depth and swivel angle. Armrest parts of moulded polypropylene and steel stamping, in black finish.

E Mechanism
Advanced Swivel-tilt mechanism provides Tilt tension control, multi-position Tilt lock, and pneumatic seat height control.

Basic Swivel-tilt mechanism with 2-position Tilt Lock and pneumatic seat height control.

F Base
350mm Studio base allows extra clearance for your feet movement. This standard base is moulded of polypropylene in black colour.

Nez headrest provide stepless height adjustable up to 75mm. Constructed by stretching mesh fabric over a springy polypropylene frame.

With the 4-D arms support are adjustable from side-to-side, front-to-back, and pivot in or out. The arms also adjust up and down in height.

The chair provides science-based ergonomics, personalized comfort and design, and durability at a sensible price.

Highlights include available Fin-Type lumbar support, the pad is designed to be flexible, allowing it to move with the user. Which react to the user's movements during their work.

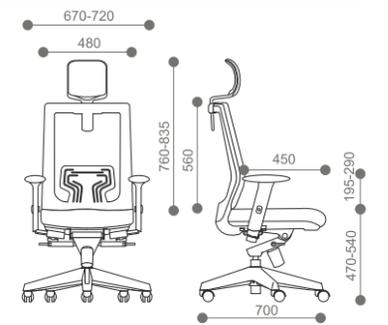

Sustainable products that reduce the environmental impact, displays Nez, made with 97% recyclable materials.
